Introducing

Jason Smith

Your Local Conservative candidate for

Vicarage Road Ward

Jason is a DVSA Qualified Approved Driving Instructor and, after moving to Thetford ,Has been running his successful Driving School Business for the past thirteen years helping residents of all ages to change their lives.

A Father of three grown up boys, he feels that it is now time to give something back to his local community which has helped support his business and devote the time and effort required in serving as a Town Councillor for the Vicarage Road Ward

Having worked part time at the Charity run East Anglian DriveAbility Centre based in Thetford he has become increasingly aware of a greater need of facilities helping people with Cognitive and Physical disabilities regain their independence.

Jason was also part of the original committee that set up the Thetford Park Run and has seen it grow over the years to become a successful resource for residents of all ages to exercise and get fit.

He believes it is important to keep as much history and heritage about the town as possible so to attract tourists, business and new residents to help the town prosper.

Having lived in various parts of the World and England , I fell in love with Thetford with its rich heritage and military history. Having come from a military family it felt like coming home and I now feel it's the right time in my life to give back to the people of Thetford . Helping the residents of the Vicarage Road Ward to the best of my abilities with any local issues they have.

Jason says "As your Conservative Party Candidate , I strongly believe in transparency and openness towards the residents and if elected as your councillor I will always ensure that Thetford Vicarage Road Ward has a strong voice on the local issues that affect you and your family".
