stuarterry@thetfordlabourteam.com

Polling Day: Thursday 14th July 2022

TERRY LAND

Your Candidate For Breckland Council

Terry Land is 62 years old and married to Jane. He has recently retired from work which he feels gives him the time to commit to fully serving as your Breckland Councillor, if elected.

Terry is a community activist and a dedicated volunteer for the Community Shop at Charles Burrell Centre. He is also a regular attendee at various local community litter picks.

Over the past few weeks, Terry has been out and about talking to hundreds of Boudica Ward residents and encouraging people to let him know YOUR priorities. He is so grateful to everyone who has responded so far and taken the time to speak with him.

Terry says, "I love Thetford. However, it has so much potential that is not being realised. I know that residents are proud of where they live as well but they are frustrated with the lack of infrastructure locally and the slow pace of change. If elected, I promise to be a voice for Boudica Ward and Thetford as a whole - working on behalf of local residents".

STUART TERRY

Your Candidate For Thetford Town Council

Stuart has lived in Thetford for most of his life. He lives within the Boudica Ward at Fairfields with his wife and young son. Stuart has served as your District Councillor since 2019 and would love the opportunity to join Thetford Town Council.

He works locally as a Commercial Driver for a worldwide brand supplying the motorsport industry and he also volunteers as a Coach for Thetford Ladies Football Club. He supports many local clubs and groups and regularly hosts charity quiz nights.

Stuart says, "Thetford has an amazing river corridor, great heritage and fantastic community spirit. It has great potential but there is so much that could be done to improve it. We need Councillors who are proud of where they live, are embedded in their local communities and who will work hard on behalf of residents".

As a family man, Stuart feels strongly about food poverty and the effect of the current cost of living crisis that is hitting many households. He wants to be able to support those in need and draw on his experience as a past volunteer with Thetford Foodbank.

Our Priorities for Thetford Boudica Ward

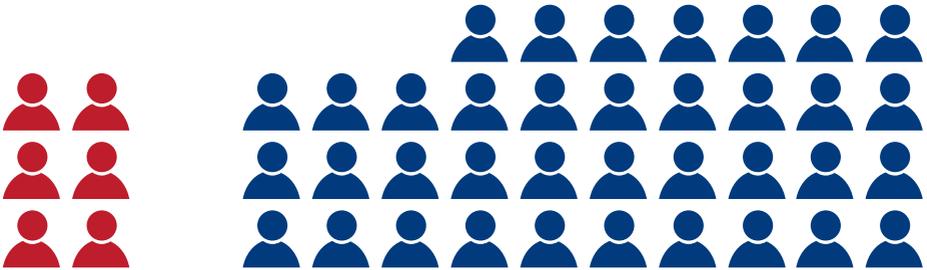

1. Improving local public transport opportunities, such as a new bus service around Woodlands Estate and improved train services

2. Improving the situation with car parking at Drake School, particularly at the start and end of the school day, which creates problems for both parents and residents of Fairfields

3. Doing more to promote our fantastic local heritage and celebrate and protect our environment, including the river and open spaces

4. More for children, young people and their families – by supporting local voluntary and community groups as well as local sports groups

Breckland Needs An Opposition!!!

At the last election, 37 Conservative candidates were elected to Breckland Council out of 49 seats available. Councils which have a huge majority of one party are often anti-democratic as the views and opinions of individual Councillors can be easily ignored. Even some Tory Councillors complain privately about not being listened to. Thetford Boudica Ward is one area of Breckland where the election results last time were close, and you can help make the Council more balanced and more democratic by voting Labour.

A message from Councillor Terry Jermy (Breckland Labour Group Leader & Thetford Town Councillor)

Dear Resident,

I write to give my full endorsement of both Stuart and Terry and encourage you to vote for both in this by-election. I have worked closely with Stuart on Breckland Council for the past 3 years. He is very committed to his local community and passionate about helping others. He would be a real asset to Thetford Town Council.

Despite being relatively new to Thetford, Terry has thrown himself into community life and ably demonstrated his commitment to local residents, whether that be his volunteer work at the Burrell Shop or his passion for keeping our streets clean. Over the past few weeks, he's put in a significant number of hours talking with residents around Boudica Ward to understand your priorities. I have complete confidence that he will serve you well, if elected.
