How your vote can help make Thetford an even better place to live

As your Local Conservative Councillors, we have a track record of delivering positive results for residents, businesses and community groups both in Thetford and across Breckland.

1 Cumulative Impact Policy

Anti-social behaviour associated with street drinking is a reoccurring issue when talking with residents. We want a Cumulative Impact Policy to reduce the impact of inappropriate off-licence establishments in our beautiful town centre. This in turn will help protect our

picturesque natural environment, improving Thetford's image to visitors and residents.

2 Vibrant Place to Work and Play

Thetford is the perfect choice for businesses to flourish and families to grow. Together we will ensure that Thetford continues to get its fair share of investment including lobbying hard for improved healthcare provisions and engaging with local businesses, supporting and enabling their investment.

3 Your Voice Matters

Councillors aren't just for election time. Roy and Jane are regular attendees of resident's meetings and local action groups. We share your hopes and concerns and continue to listen and ensure your views are heard. Thetford is worth it.

Dear Resident

Roy and Jane have proudly represented Castle Ward in Thetford for the last four years, working hard to ensure a balance between Thetford's expansion and its beautiful environment, proactively supporting our fantastic heritage assets and ensuring that your voice is heard at every opportunity and at every level - not just at election time, but every week and every year.

In the past four years we have improved safety in the town centre by increasing street lighting on Butten Island and reclaimed our spaces by introducing chess and table tennis tables which are well used in the summer months and compliments our beautiful riverside area well.

We have been instrumental in developing funding bids that seek to ensure the future of our vital heritage assets and bringing together all tiers of local government to deliver for Thetford.

If re-elected we will continue to deliver for Thetford. Thank YOU!

Yours sincerely

Roy Brame and Jane James

Your Local Conservative District Council Candidates for Castle Ward Thetford.

our plan

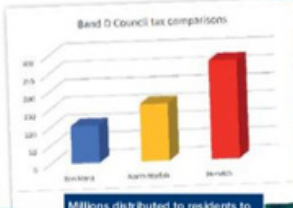

for an even better Breckland

1

Keeping council tax low

Conservative Councillors work hard to keep council tax low, spending every pound wisely and continuously improving service efficiency where we can.

- ✓ Breckland has the lowest council tax of any district in Norfolk.
- ✓ Strong financial management and careful control of costs.
- ✓ Well-run local services that are effectively delivered for residents.

Millions distributed to residents to support with the cost of living.

3

Protecting our green spaces and the local environment

With an ambition to be net zero by 2035, Breckland is leading the way in reducing our carbon footprint and looking after our rural countryside.

- ✓ Highest fly-tipping enforcement of any council in Norfolk.
- ✓ Rolling out a network of EV chargers across our car parks.
- ✓ Invested over £1m in LED streetlights to reduce costs and emissions.

Increasing accessibility of EV car ownership to homes across Breckland.

5

Supporting our local economy

We will continue to invest and support our high streets and independent retailers to make our towns and villages vibrant places for people to live, work and visit.

- ✓ Providing start up grants to help entrepreneurs and SMEs.
- ✓ Creating skilled and high-quality jobs for the future.
- ✓ £50m in grants distributed to local businesses.

£3.5m invested in Snetterton Power Station to create 1700 jobs and attract £200m in investment.

2

Supporting our community, our vulnerable and elderly residents

Our Help Hub assists hundreds of people every month with everything from housing, finance support and guidance to health and wellbeing.

- ✓ A 24/7 service that's available to help residents in their time of need.
- ✓ Working with partners to deliver dedicated mental health support.
- ✓ Dedicated officers to support victims of domestic violence.

Supporting every resident with the support they need.

4

Reducing crime and protecting residents from anti-social behaviour

Working closely with the Police to protect Breckland residents.

- ✓ Provided £110k to tackle county lines drugs gangs.
- ✓ Investing in CCTV network to protect residents from crime.
- ✓ Addressing rural crime and ensuring people feel safe in their homes.

Working with the police to tackle local issues.

6

Good quality local services

Conservative-led Breckland District Council delivers high quality and efficient local services alongside our partners for you and your family.

- ✓ Increasing collection services whilst reducing costs for taxpayers.
- ✓ £4.5m invested in emergency housing provision.
- ✓ Reviewing contracts to ensure efficiency for taxpayers.

Delivering more and paying less for our efficient and well-run local services.

Let's make Breckland an even better place to live. Vote Conservative on 4th May.
