

# Time For Change At Breckland Council

Breckland Council is controlled by the Conservatives, with just 7 Labour Councillors versus 37 Tories. We need to shake it up a bit and get a more balanced Council. You can do this by voting Labour at this election.

Boudica Ward residents can vote for TWO Breckland candidates.

On your White Ballot paper – use your TWO votes for:

**Stuart TERRY X**                      **Terry LAND X**

All Labour Candidates in Thetford have signed up to support both the Thetford Labour Team manifesto (Unlocking Thetford's Potential) and Labour's Breckland-wide '10 Pledges' – full details of these are available on the website.

**Local Council Elections: Thursday 4th May**

# TERRY LAND

Terry Land was successfully elected to be your Breckland Councillor in a by-election in July 2022. Since then, he has made a real difference and got stuck into a whole range of local issues. He is re-standing for a full term as your Councillor and hopes he can count on your support once more.

Terry is 63-years-old and married to Jane. He is a community activist and a dedicated volunteer for the Community Shop at Charles Burrell Centre. He is also a regular attendee at various local community litter picks and helps lead the newly created Boudica Ward litter pick every month.

During the by-election campaign, and since, Terry has been out and about talking with Boudica Ward residents. He is active within the local community and on social media.

Terry says; "I love Thetford. However, it has so much potential that is not being realised. I know residents are also proud of where we live - but are frustrated with the lack of infrastructure and slow pace of change. I promised to be a voice for Boudica Ward and Thetford as a whole working on behalf of local residents. I hope I have demonstrated my work ethic and can count on your support once more."

# STUART TERRY

Stuart has lived in Thetford for most of his life. He lives at Fairfields with his wife and son. Stuart has served as your District Councillor since 2019 and is standing for re-election.

Stuart works locally for a worldwide brand that supplies the motorsport industry and has volunteered as a Coach for local sports teams. He supports many local clubs and groups and regularly hosts charity quiz nights. Last December Stuart's quiz raised almost £1,000 to provide a free Christmas dinner for disadvantaged residents.

Stuart says: "I believe we need Councillors that are proud of where they live, are embedded in their local communities and work hard on behalf of residents. I hope I have demonstrated my hard work and commitment since being elected as your Councillor and I would love the opportunity to continue to serve you".

Stuart feels strongly about food poverty and the effect of the current cost of living crisis that is hitting many households. He wants to be able to support those in need and he campaigns on issues including Fuel Poverty and education.

If you live on the Ladies Estate, Stuart Terry is also standing to be your Town Councillor.

## Our Priorities for Thetford Boudica Ward

1. Tackle littering and fly – tipping by continuing regular litter picks and Ward Walkabouts

2. Support more for children, young people and their families – by supporting local voluntary and community groups as well as local sports groups

3. Improve local transport opportunities – including a new bus service for Woodlands Estate

4. Stuart & Terry would like to see more support and investment into Thetford Town Centre to support businesses
