

Introducing Myself As your Voice Standing For Priory Ward Thetford Town And Breckland District As Town And District Councillor Introducing Myself As an Independent Candidate.

My Name, Gordon Margrie I'm 65, I live on the Redcastle estate, St John's Way I've lived here on the estate since 1966 having moved here from London, Bethnal Green I attended Redcastle School built from new, then moved to Staniforth Secondary Modern, then into the Army at 15 1/2.

I meet and married my wife Suzanne, raised my family here and now due to retire from Tesco were I work as a Delivery Assistant Home Shopping

Over the past years some in the town would have seen and read my comment's posted via Facebook, THETFORD FORUM with references to the unsightly dumping of item's on the estate's as seen on Abbey estate and in the dumping by or in the forest, Also reporting the poor state of the road around the Redcastle Furze estate, the slap dash cutting of grassed area's, Grass and shrubs over growing onto footpath's, street lighting and now to go further the amount of car's parked on the few grassed area's about the estate's due to the lack of sensible parking area's the garages on the estate's are no longer fit for purpose and haven't been for the past 30+ years and good luck if you need the emergency services.

As a Breckland District Councillor I would have the means to put your voice forward to get these improved since the 1980's when residents had the chance to right to buy their house on the estate's to smarten and take pride in, but sadly over the year's are looking run down with any old thing will do to replace or repair attitude, if replaced at all

I have NO political agenda unlike some that would like you to vote for them.

If elected to town council, I will voice your concerns over the area's that the town council are responsible for which is Melford Common, Castle Park, Banham Common, The Cemetery, Allotments' and Market Square plus any other problem's I can help with.

I'm asking YOU to lend me your VOTE so I can be your voice on the 4th May 2023

Vote Gordon Margrie Priory Ward 4th May 2023

Independent Candident for YOU.
