

Thetford Town Council Election

4th May 2023

Your polling station will be shown on the polling card sent to you

Boudica Ward - Barbara Tullett

One of your **Local Conservative** candidates

Barbara has lived in Thetford for 50 years, an area she values for its history and access to open spaces. She has represented Boudica Ward on Thetford Town Council since 2021 and is looking for your support once again. Barbara is the Treasurer for the Friends of Thetford Museum and considers that along with the Charles Burrell, Dad's Army museums, the Priory and Castle Hill, Thetford forms a significant tourist attraction. She believes it is important to conserve Thetford's history and heritage assets.

Barbara has been an active member of the Town Council and is committed to the development of Thetford to provide a town to meet the future needs of the next generation. She has contributed to the development of the Heritage Master Plan and would welcome the opportunity to continue working towards seeking funding to improve Thetford's Heritage Assets incorporating community projects and would ask for your support in the coming elections to enable her to see this project to fruition.

The changing face of the High Street is a national problem and Barbara would work towards the development of the town centre and river corridor into a social hub and leisure area.

Thetford is very community focused. Barbara has been supportive in the provision of the free family events planned for 2023 by Thetford Town Council. Recognising the importance of nature for wellbeing, Barbara is committed to supporting projects that promote the use of outside spaces and provide recreational amenities for all ages.

Barbara is the Thetford Town Council representative on the Safer Thetford Action Group (STAG). STAG has been instrumental in the 30 for Thetford campaign and the Thetford Town Centre Public Space Protection Order.

Litter and fly tipping are an eyesore and create a negative image. Barbara attends regular community litter picks alongside individual litter picking and graffiti removal around the town.

Ultimately, it is you as a taxpayer that pays for cleaning up someone else's rubbish, using money that could be better spent on more worthwhile projects.

As your local Conservative Party Candidate, Barbara strongly believes in transparency and openness towards residents and if elected as your councillor she will always ensure that Thetford Boudica Ward has a strong voice on the issues that affect you and your family.
